MSOSH ACADEMY

INVITATION NOTE

MOHD NAJIB BIN MUPIT

CHAIRMAN OF AIS-OSH & MANAGING DIRECTOR OF MSOSH ACADEMY

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Dear Esteemed Colleagues and Occupational Health Enthusiasts,

It is with great pleasure and excitement that I extend a warm welcome to each one of you for the upcoming first Asia International Symposium for Occupational Safety and Health. As the Organizing Chairman, it is an honor to invite professionals, experts, and visionaries from across the globe to converge in Kuala Lumpur for a symposium that promises to be a milestone in the realm of occupational well-being.

Under the theme, "The New Generation of OSH World" we aim to create a platform that transcends borders, fostering the exchange of cutting-edge practices, innovations, and insights in the field of occupational safety and health from across the globe regardless of the background.

Our distinguished speakers, representing a diverse spectrum of expertise, are set to illuminate the symposium with their knowledge and experiences. From insightful presentations to interactive forums and networking opportunities, this event is crafted to offer a holistic and enriching experience for all participants.

Join us in Kuala Lumpur as we explore new horizons in occupational safety and health, share best practices, and forge lasting connections with professionals who share our commitment to creating resilient and secure workplaces across Asia. Kuala Lumpur, a city that seamlessly blends tradition and modernity, serves as an ideal backdrop for our collective pursuit of creating safer and healthier workplaces.

We eagerly anticipate your presence at this symposium, where your contributions will undoubtedly play a crucial role in shaping the future of occupational health in our region.

Warm Regards.

INTRODUCTION

The Malaysian Society for Occupational Safety and Health (MSOSH) is a non-profit, non-governmental and non-political organization that was first registered in 27th April 1971.

MSOSH Academy is a wholly-owned company by MSOSH establish in 2018. With the focus in becoming one of the leading training provider and consultation company, MSOSH Academy is set to equipped organizations and individuals with the knowledge and skills necessary to promote occupational health and safety. MSOSH Academy offers comprehensive training programs tailored to meet the diverse needs of industries. The courses offered covers a wide range of topics, including risk assessment, emergency response, workplace ergonomics, and compliance with regulatory standards. The training is designed to empower participants with the expertise to mitigate workplace hazards effectively. MSOSH Academy also provides a range of OSH services and consultancy aimed at helping businesses create and maintain a safe workplace. This includes safety audits, hazard identification, incident investigation, and the development of customized safety policies and procedures. MSOSH Academy's services are designed to align with industry best practices and legal requirements. In line with the following objectives, MSOSH Academy is set to strive in giving the best OSH Services.

1

Affordable and quality training programs to the member of MSOSH, Safety and Health Practitioners and the public.

2

Coordinate up-to-date training programs presented by trainer with vast experience in industry

3

Organize and facilitate the career development of MSOSH members, Safety and Health Practitioners and the public.

4

Evolve and expand MSOSH Academy as a Strategic Partner in Training, Consultancy & Services.

MSOSH Academy is proud to be the organizer of the 1st Asia International Symposium for Occupational Safety and Health (AIS-OSH). Anticipate the pinnacle of excellence as the AIS-OSH takes center stage, promising to be the crowning achievement and annual flagship of MSOSH Academy. This spectacular event is set to become a hallmark tradition, a signature program representing the epitome of our commitment and dedication towards fostering knowledge, innovation, and professional growth of Occupational Safety and Health year after year.

AIS-OSH

ABOUT MALAYSIA

IMMIGRATIONS & VISA

To enter Malaysia, visitors must have a national passport or other internationally recognized travel documents with a validity period of at least six months beyond the length of stay in Malaysia. All passports and travel documents must be endorsed for travelling in Malaysia. Regulations may change from time to time, please check with the nearest Malaysian Embassy before you start your trip. For more information on immigrations and visa requirements, visit www.imi.gov.my.

WEATHER & CLIMATE

The weather in Kuala Lumpur in October is perfect for lightweight clothing with the average temperature between 25.7°C (78.2°F) and 32°C (89°F) daily. The temperature are typically hotter during the day compared to night time. The city experiences a slight decrease in sunshine hours as it is expected that it October will be filled with wet days. The increase in rainfall is a prelude to the monsoon season that the city experiences towards the end of the year. Despite the heightened rainfall, temperatures remain fairly consistent.

OFFICIAL CURRENCY

The Malaysian Ringgit (currency code: MYR) is the main trading currency in Malaysia. Denominations for the Malaysian Ringgit comes in different sizes and colors. The acronym "RM", stands for Ringgit Malaysia while "Sen" refers to monies less than RM 1. Notes are printed in RM 1 (Blue), RM 5 (Light Green), RM 10 (Red), RM 20 (Yellow), RM 50 (Blue Green), RM 100 (Purple), and Sen are coined in form of 5 Sen, 10 Sen, 20 Sen, and 50 Sen. Licensed money changers are easy to find throughout the city and typically accept most of the major currencies. In addition to this, cheques may also be cashed in at banks, licensed money changers and selected hotels. Most stores and restaurants accept major credit cards, such as Visa, MasterCard, and Amex. Digital payments via e-wallets are also widely accepted in the country. However, it is highly recommended to have sufficient cash in hand for emergencies.

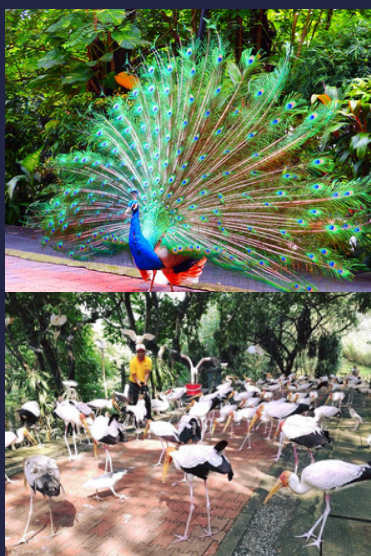

KUALA LUMPUR

Kuala Lumpur or colloquially referred to as KL is the capital city of Malaysia. It is among the fastest growing metropolitan regions in Southeast Asia, both in population and economic development. Everywhere you look, everything your eyes fall upon is a unique pattern made by the many inhabitants of Kuala Lumpur. From the temples to the food to the skyscrapers, marvel at the knowledge that each is pieced together through the blending of more than one culture. There are a vast number of monumental monoliths that should not be missed while in KL.

BIRD PARK

20.9-acre public aviary set to be one of the world's largest covered bird parks

TITIWANGSA LAKE GARDEN

The Lake Gardens is a resort for family picnics, sports enthusiasts, and nature appreciators

MERDEKA SQUARE

A historic landmark surrounded by many other attractions along with a 95 meters tall flagpole

CENTRAL MARKET

The oldest surviving marketplace established since 1888 or Malaysian culture, art and craft

KLCC OBSERVATION DECK

Marvel at the entire city of KL on the another level at 370 meters above the ground view

KAMPUNG BARU

Traditional village enclaved in central KL prominent for being a food paradise

TRANSPORTATION

Kuala Lumpur City Centre (KLCC) offers a well-connected and efficient transportation system, providing various options from public transport, rental vehicles and self-own vehicles. The integration of transportation options makes it relatively easy to move around and explore Kuala Lumpur City Centre efficiently. The modern transportation hubs provides a convenient travel options within the country as well.
